Embrace the eerie side of Halloween with this dark forest sc

About This Collection

Gothic fall backgrounds set the mood here, with dark forest scenes straight out of a spooky Halloween dream. Every image leans into the dark side of the season. Expect goth aesthetic wallpaper picks, eerie autumn vibes, and purple gothic style art with architecture shadows. Pins from Kristie and Iris Ross sit beside mimishop's graphic work and The Miz wallpaper collection, plus AI generated spooky designs. Scroll the full gallery through the link above.
