About This Collection

Osana Najimi takes the lead in this collection drawn from Komi-san wa Komyushou Desu, with Komi Shouko and Tadano Hitohito close behind. An alternate version puts Najimi in bondage with a bow, gift wrapped and waiting. Ambiguous gender, anus peek, and a slideshow of Najimi Osana porn round out the mix. A crossover pulls in Ayano Aishi from Yandere Simulator for a kiss scene. Some sets keep a censor bar in place, others drop it. View the full gallery through the link above.
