About This Collection

May from Shadow Fight 2 steps out of her armor and into the frame, naked and direct, with her ass visible through her thighs and her breasts catching the light. Ninja girls from the same arena follow, including Lotus and June, plus a bottomless shot with female pubic hair on display. The set mixes game screencaps, tagme edits, and hentai crossover energy around Chun Lee. It stays close to the Shadow Fight 2 characters and their gear. View the full gallery through the link above.
