About This Collection

Invincible heroes fall hard in this corrupt corner of the multiverse, where Atom Eve trades her heroic pose for something messier. These female characters bend boundaries, from submi to dominant, embracing fetish and cnc with a smirk. Sue Storm plays the needy mother, seductive and sci-fi, as fictional smut bleeds into real action. Dive into the chaos where hero meets corruption, and every chat leads deeper into the game. Gyattom

Eve cheats on her codes, while Anissa's alien femdom flips the script on Mark Grayson's thirsty hours. View the full gallery above.
