About This Collection

We need to write a short enticing description 60-90 words, one paragraph, plain text, no markdown, no lists, no quotes. The captions are multilingual. Must be in same language as title "kanbinaasmr". , English (since title is

English-like). Title appears to be maybe English? "kanbinaasmr" looks like a username, maybe English. So description in English.

We must naturally reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Also must include these exact words where natural: большие, сиськи, секс, видео, telegraph, tight, pornstars, tube, know, that, russia, packs, ginormous, amount, hotties.

We must include those exact words (they are in various languages). They must appear in description naturally. Since description is in English, we can embed those words as they are (they are Russian words etc). Must include them exactly as given: "большие", "сиськи", "секс", "видео", "telegraph", "tight", "pornstars", "tube", "know", "that", "russia", "packs", "ginormous", "amount", "hotties". Must appear in description.

We need 60-90 words. Let's count approximate words. We'll aim for ~75 words.

We need to avoid forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also no em/en dashes, no "not only X but Y", "At its core", forced groups of exactly three items. No emojis, no curly quotes, no markdown, no bold. Use "to" instead of "in order to". No generic positive endings; end on a concrete fact or plain natural invitation. Use "because" instead of "due to the fact that". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Vary sentence length naturally.

We must end with a natural invitation to view the full gallery via the link above. So something like "Check the link above for the full gallery." That's a concrete invitation.

We must include at least 20% of key words from captions. The captions have many words. But we also have required words list. We'll include those required words, which count as key words. That should satisfy.

We need to ensure we don't use any forbidden words. "telegraph" okay. Avoid "tight" is allowed (it's required). "pornstars" okay. "know", "that", "russia", "packs", "ginormous", "amount", "hotties", "большие", "сиськи", "секс", "видео". "tight" is okay. Avoid "showcase", "crucial", etc. "tube" okay. All good.

We must not use "not only ... but". Avoid "At its core". We can list two or four. Could list two items or more but not exactly three? So we must not list three items in a row like "A, B, and C". Avoid forced groups of exactly three items. " So we should avoid a list of three items. Safer to avoid any list.

We must not use em or en dashes. Use commas or split sentences.

We must not use "in order to". Not use "due to the fact that". Use "to". Use "because".

We must not use generic positive endings like "unforgettable". End with concrete fact or plain natural invitation.
