We need to produce 60-90 words. Let's count approximate words. We'll aim for ~75 words.

We must include the exact words list. Must include them exactly as given. "status". "relationship". "angell". Also include "angellmarr" (lowercase). "marr". "купить". "channel". Also "девчата", "тонуса", "angellvipbot", "post". They include some with special unicode characters: ***Little***, ***Angellmarr***. "доступ". "official". Must include them naturally.

We need to write in same language as title "angellmarr". Probably they want English. Title is English? But captions are mixed Russian and English. But we have Russian words required. It's just a word. " Title is "angellmarr" which is not a language but a name. We can write in English but include Russian words as they are. Probably English. That's okay.

We must not use forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Avoid those.

No em/en dashes. Use commas.

No "not only X but Y". Avoid.

No "At its core". Avoid.

No forced groups of exactly three items. So avoid listing three items in a row.

Use "to" instead of "in order to". Use "because" instead of "due to the fact that".

No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Avoid.

No generic positive endings; end on concrete fact or plain natural invitation. So end with something like "View the full gallery via the link above."
