Abby Winters Pussy.

About This Collection

Antonia greets the camera as a smiling fairy, showing her bare body around the Abby Winters apartment. The set dates from May 2015 and stays close the whole way, a dildo brought into play until she comes. Antonia keeps her eyes on the lens while her fingers wander. She stretches out on the bed, hairy pussy on show, and leaves one question hanging, in your bed or not. See the full gallery through the link above.
