About This Collection

From the twisted minds of sjy89, benlevente, AvroraCL, and a crew of dedicated lewdposters, these NSFW War Thunder skins push custom camouflage to its absolute limit. Every WT Live upload is a fresh surprise, all shared through the community's Discord server. Expect the infamous pornaddictmobile, bold anime wraps from KurumiTH and LishizhendePi, and a parade of vehicle skins that turn the battlefield into a gallery of sin. Dive into the full gallery above and see what these artists publish next.
