About This Collection

Ragneg's gallery mixes adult fantasy, horror and parody as Lara confronts mummies, a princess battles goblin captors, and a swordswoman confronts a Riekling. Irreverent titles such as My Kingdom For a Horse, All Horses Go To 7th Heaven and The Queen's New Groove sharpen the chaotic mood, while references to a Moving Castle and failed goblin slaying add another eccentric turn. Expect slime, defiance, lost virginity, double penetration and swordplay framed by castles, kingdoms and horses rather than polished fairy-tale calm. View the full gallery via the link above.
