About This Collection

This gallery dives deep into HoYoLAB's gaming community forum for HoYoverse games including Honkai and Genshin Impact, where творцы share their wildest visions. Lumine and Dottore get their own twisted moments, but the real draw is Pantalone x Dottore rule 34: villainous tension, a clone, and bottom Dottore at his absolute messiest, drawn by ias1010. Expect horny art, pussyjob desperation, speech bubbles, and everything in between. Click the link above to view the full gallery.
