About This Collection

Explore the risqué world of Rimuru Tempest and Shion in a secret hentai manga collection that blends AFO's My Hero Academia with the erotic adventures of Tensei Shitara Slime Datta Ken. The gallery dives into adult moments, featuring big tits, big ass, and creampie action while staying true to the original story. See uncensored scenes of Milim Nava and exclusive Patreon-drawn art, all tied to the theme of rebirth as slime. Join the community now and view every page through the link above.
