About This Collection

dfidol presents HeeJin of ARTMS in a series of striking poses that blur the line between idol performance and intimate portraiture. JinSoul appears in a lab coat, while Choerry and Kim Lip bring fierce energy to firefighter and atom-themed concepts. The verified beauty commands attention in a yellow outfit, camera in hand, her long dark hair catching every light as she navigates the tension between public image and private vulnerability. The gallery captures LOONA's evolution through fashion-forward styling and candid moments, celebrating HeeJin's journey on her special day. View the full dfidol gallery above.
