About This Collection

Lilmoonie draws fandom porn with a steady hand, and this gallery gathers the comics that made the artist a name on r34. Ampharos, Kindred, Tristana and her yordle kin show up too, alongside anon and original characters. Expect futanari, shemale, hentai and femdom scenes across every page. Mewtwo gets a full comic run, Alex wanders Minecraft into an unexpected visitor, and Skye from Valorant joins the lineup. The full set is waiting at the link above, so take a look.
