About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. But we must follow constraints: Use same language as title "ліцензія школи" which is Ukrainian. Must not use forbidden words. Must reuse at least 20% of key words from captions. " This is contradictory. Must end with natural invitation to view full gallery via link above. But the captions are about licenses for schools, not adult photo gallery. Must include exact words: смартіка, ліцензія, получить, лицензию, частную, школу, документы, сроки, получения, действия, штрафы, статут, право, здійснення, освітньої. No markdown, plain text.

We need to produce 60-90 words. Let's count approximate words. We'll aim for ~75 words.

We need to incorporate the required exact words. They are Ukrainian/Russian mix. We'll include them naturally.

We must not use AI-flag words list. Avoid those.

We must not use em/en dashes. Use commas.

We must not use "not only X but Y", "At its core", forced groups of three items.

Use "to" instead of "in order to". Use "because" instead of "due to the fact that".

No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No generic positive endings; end on concrete fact or plain natural invitation.

End with invitation to view full gallery via link above.

We need to write in Ukrainian (same language as title). So Ukrainian.

We need to include the exact words: смартіка, ліцензія, получить, лицензию, частную, школу, документы, сроки, получения, действия, штрафы, статут, право, здійснення, освітньої.

Note: some words are Russian (получить, лицензию, частную, школу, документы, сроки, получения, действия, штрафы, статут). But we must include them exactly as given. So we must embed them exactly. They may appear in Ukrainian text but we must include them exactly. They are lower case? So we need to embed those words exactly as they appear (including case). Provided list: смартіка, ліцензія, получить, лицензию, частную, школу, документы, сроки, получения, действия, штрафы, статут, право, здійснення, освітньої. We'll include them.
