About This Collection

We need to produce a short enticing description 60-90 words, in same language as title "comatazze". However writing description in Italian would require Italian words, but we have to reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Not sure. Since title is just a single word, ambiguous. " So we need to determine language of title: "comatazze" looks like maybe Italian? But we need to decide language. So we can keep "Comatazze", "Aurora", "DDY", "Brazzers". If title is not recognizable, maybe we should assume it's Italian? The rest we can translate into Italian. The captions are mostly English, with one Spanish sentence. Might be considered Italian? Not sure. I'd choose Italian to be safe? Usually they'd expect to use the language of the title if it's recognizable; if not, maybe default to English? Many Italian words end with -zze like "pazzesche"? Actually "comatazze" looks like maybe Italian? But safer: Use English because captions are English and title ambiguous. The captions are in English, with a Spanish phrase "Este es el mayor fragmento de Marte jamás encontrado en la Tierra: será subastado por millones de dólares". Could treat as English? Usually they'd expect same language as title, but title is not indicative. Title appears to be Spanish? But they explicitly say regardless of captions language, use same language as title. Could be Italian slang for something. " If title is just a nonsense word, we need to pick a language. However the phrase "comatazze" might be Italian slang? We need to reuse at least 20% of those key words. Key words include "Comatazze", "Aurora", "DDY", "Brazzers", maybe "Xxxx". Could be a nonsense word. "Comatazze" maybe from "comata" (coma) + "zze"? So we must include some of those words unchanged (they are key words). That seems doable.

We need 60-90 words, plain text, no markdown, no quotes, no emojis, no curly quotes. Also no em dashes or en dashes; use commas or split sentences. No generic positive endings; end on a concrete fact or a plain natural invitation. So we need to end with a natural invitation to view the full gallery via the link above. It's an invitation. No "not only X but Y". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "because" instead of "due to the fact that". " That is a concrete fact? Use "to" instead of "in order to". No forced groups of exactly three items. Avoid AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No "At its core". " So ending with invitation is okay.

We must not use quotes. Also avoid curly quotes; just plain ASCII.

We need to vary sentence length naturally, state things directly, keep every claim supported by the provided captions.

We need to reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Also "hot sex". Also "provider". Also "found the advertisement". Also "pat" appears? Also "blurry photos". Also "close to two years". Also "gorgeous". Also "sex video". Also "free porn". Also "1 and done personally". Also "new porn". Also "mid-scale hotel". Also "new xxx". Also "latest video". Also "visited her a bunch of times". "pat you rarely find many reviews on this place" maybe "pat" is a term? Also "she said that I could head out but she". Also "once again at DDY". Also "Brazzers". Also "sweetheart". Also "booking agent".), Brazzers (studio), maybe Xxxx (placeholder). Also "her presence on the forums". Many.

We need to reuse at least 20% of key words. 20% of maybe 20 words = 4 words. So we need to include at least 4 of those key words unchanged. That's many. Let's count distinct key words: Comatazze, Aurora, DDY, Brazzers, Xxxx, pat, sweetheart, gorgeous, blurry, latest video, new porn, new xxx, free porn, sex video, hot sex, mid-scale hotel, booking agent, provider, visited, 1 and done, advertisement, once again, presence, forums, close to two years, she said. We'll definitely include Comatazze multiple times, Aurora, DDY, Brazzers. That satisfies.

Now we need to write description in Italian (if we decide). Let's attempt Italian sentences, using those English key words unchanged (they are proper nouns). We'll need to avoid AI-flag words, no em dashes, no quotes, no curly quotes. Use commas and periods.

We must not use "moreover", "additionally", etc. Use "to" instead of "in order to". Also avoid "because" is okay. Avoid forced groups of exactly three items. So we must not have exactly three items in a list. Avoid "not only X but Y". We can avoid lists.

We need 60-90 words. Let's aim for about 75 words.

, "Comatazze sex we met at a mid-scale hotel in the Aurora" = we can say "La modella Comatazze è stata incontrata in un hotel di media categoria a Aurora". "latest video she is a sweetheart" = "nel suo ultimo video appare dolce". "new porn i reached out to the booking agent where Xxxx comatazz when I showed up the provider wrote that she" = complicated. We can simplify: "Dopo aver contattato l'agente di prenotazione, la provider ha confermato la disponibilità". "Comatazze porn video ive visited her a bunch of times" = "L'ho incontrata più volte". "pat you rarely find many reviews on this place" = "qui le recensioni sono rare". "Comatazze sec once again at DDY once more hence I guess I" = "Sono tornato a trovarla su DDY". " = "L'ho trovata tramite un annuncio sexy". "do not worry about the blurry photos" = we can mention "non preoccupatevi delle foto sfocate". The Spanish fragment about Mars is irrelevant; we can ignore or maybe not include because it's not about Comatazze. That's supported. Probably we should not include unrelated content; we need to keep claims supported by captions; including that Mars fragment would be unsupported. "Sex video comatazz this turned out to be an altogether flop" = maybe mention "un video risultò deludente". " = "È bella, ma l'esperienza è stata unica". So we skip it.

"Comatazze new xxx her presence on the forums was Comatazze pat you rarely find many reviews on this place" = "La sua presenza sui forum è rara". "Free porn comatazze its been close to two years and it was Brazzers comatazze she said that I could head out but she" = "Da quasi due anni è presente in contenuti gratuiti di Brazzers, e ha detto che potevo andare via ma..." We'll keep simple.

We need to avoid inflated importance, no sales language. Keep it neutral.
