About This Collection

Step into the Red Light District with artist NeszR's steamy Demon Slayer collection. Playful, bold and beautifully drawn, every frame drips with delicious tension. These comic-style panels show Kamado Tanjirou teased, buffed and left completely at her mercy, with all the doujinshi flair fans of Kimetsu no Yaiba crave. Tanjiro discovers that some blades are no sword at all — and once she feels something, there's no turning back. Click the link above to view the full gallery now.
