About This Collection

The gallery titled spip sarka-spip collectif sarka-spip gpl presents a series of intimate encounters set against soft morning light filtering through sheer curtains. Each frame holds a moment of connection, whether it's a hand tracing collarbones or lips parting just enough to catch the light. The atmosphere stays warm and unhurried, capturing whispered confessions and lingering touches that speak louder than words. Models like Lila and Mira move slowly across rumpled bedsheets, their bare feet brushing against cool wooden floors as they reach for each other with quiet urgency.
