electronic arts, plants vs zombies, plants vs zombies: heroe

Solar Flare saves the day by RoboMondus on DeviantArt.

About This Collection

Solar Flare steps out of the Plants vs Zombies garden in peargor's version of her, petals burning bright, gaze direct and challenging. She grows into a giantess over the lawn while a peashooter watches, unable to look away. Two girls share the frame with a flower buddy, and the heat climbs from teasing poses to rougher scenes. Follow the link above to see every plate in the set.
