About This Collection

publicboys gathers male models in group shots and solo poses, from boxer shorts and tights to bulging jeans, a plaid shirt and white pants. Gavin Watson's 120 towns and 800 portraits sit beside shirtless sixpack abs, guys at two sinks with phones, a jacket pose and hot cowboys caught on cam. The set moves from sidewalk to travel and explore, with straight ripped young men and drunk straight guys in frame. View the full gallery via the link above.
