# About This Collection

Step into a dark Halloween night where PalomaP’s art brings Ghostface into a twisted adult realm. The masked killer breaks horror rules, posing in a 2boys and 2girls scenario that mixes costume drama with exposed breasts and muscles. The collection blends high res details, blood and abs, all captured in any POV. Daniel Johnson’s version adds a muscular ball heavy twist while the Yandere Ghostface delivers a thick rule 63 edge.
