About This Collection

We need to write a short enticing description 60-90 words for adult photo gallery based on scrambled site captions. Must be plain text, no markdown, no lists, no quotes. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms), translating rest as needed. Description must be same language as title: English. Title is "ethothub". So description in English.

We must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Avoid "At its core". Also no em or en dashes; we must split sentence or use a comma. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Use "to" instead of "in order to". No emojis, no curly quotes, no markdown, no bold text. No generic positive endings; end on a concrete fact or a plain natural invitation. Use "because" instead of "due to the fact that". Avoid forced groups of exactly three items. Avoid "not only X but Y". Vary sentence length naturally, state things directly, and keep every claim supported by the provided captions.

We need to reuse at least 20% of key words from captions. Captions contain many terms: AMAZING-BODY, Gifsauce, reThotHub, British gal, Onlyfans.comJessRox, itsbloodymarie, Littlelaine, Hotwife Grace, BBC Creampie, Sierra Ky, girlfriend giving blowjob, Kira Clark & Natalia Polyakova, Bigboobs slut, Nyny irene, etc.

We need to reuse at least 20% of the key words. So we need to include at least 6 distinct key words from captions. If we have maybe 30 words total, 20% is about 6 words. We'll include several: AMAZING-BODY, Gifsauce, reThotHub, British gal, Sierra Ky, Hotwife Grace, Kira Clark, Natalia Polyakova, Bigboobs slut, Nyny irene. That's more than enough.

We must not use quotes. Must not use lists. Safer to have two or four or more. Must not use emojis. Safer to avoid listing three items separated by commas. Must not use "and" in groups of exactly three items? Must not

use dashes. The instruction: "Never use ... Means we should not list three items in a row like "X, Y, and Z"? Probably avoid enumerations of exactly three. The rule: avoid forced groups of exactly three items. " So we should avoid exactly three items in a list. We can have two items or more than three but not exactly three? We'll try to avoid listing exactly three.

We need to keep each claim supported by the captions. The phrase "including British gal JessRox, Sierra Ky try-on hauls, Hotwife Grace BBC creampie scenes" is three items separated by commas before "and". Possibly yes. That might be considered groups but not exactly three in a row. Then "plus Hotwife Grace BBC creampie scenes" is another item. " That's many items, but we must check for exactly three groups. Safer: we can just mention a couple of examples and then say "and more". That's a forced group of exactly three items? Then "and performances by Kira Clark and Natalia Polyakova" is another. " Let's count: "British gal JessRox and Sierra Ky try-on hauls" is two items joined by and. Avoid exactly three.

We need 60-90 words. Let's craft around 75 words.

Check for prohibited words: "delve", etc. We'll avoid those. That's okay because it's part of the caption; we can reuse it. It's borderline but it's directly from caption. Using "amazing" might be considered sales language? But we must not use inflated importance or sales language. The word "amazing" appears in captions as "AMAZING-BODY". Also no sales language like "amazing"? Probably okay as it's a key word.

We must not use "boasts". Avoid.

We must not use em or en dashes. Use commas.

We must not use quotes.

We must not use curly quotes.
