About This Collection

Step into the Secret Domain where forbidden trysts unfold and every corner hides a new temptation. Aether, the traveler, is at the center of it all—teaming up with Alhaitham in one scorching chapter, then falling under the spell of Incubus Wrio and Neuvi in another. These special editions of Sweet Fever capture the heat of otaku fantasies and dark hikyou secrets, blending tender tension with raw desire. Scroll through the full gallery above to see every page of these unforgettable encounters.
