About This Collection

Step into the wild side of Danville where Vanessa Doofenshmirtz trades her dad's schemes for steamy Rule34 encounters. Even Dr. Heinz gets tangled in the action. This porn comic collection brings Phineas and Ferb favorites like Candace Flynn and Perry the Platypus into hentai, futanari, shemale, and femdom fandom chaos, with hot 3D futa pairings and big-ass commissions from BlackToe and Hentai Foundry.
