# About This Collection

The gallery captures the joy of drinking around the world at EPCOT, where people hold beer glasses together and raise them in celebration. The collection mixes casual moments with the magic of EPCOT, showing how easy it is to sip your way through Disney. From the Epcot Food and Wine Festival come six unique drinks worth trying, each tied to its home pavilion. A woman in the China pavilion cradles a glass of plum wine surrounded by friends and Chinese temple details, while others explore the best drinks at each country.
