About This Collection

The shait gallery brings together a bold mix of 3DCG animation and furry sci-fi scenes, each told from an intimate POV perspective. Expect fast, safe, and anonymous access to content spanning lesbian, gay, and bisexual themes, with standout moments like furry deepthroat and deep anal action. Whether you are into animation or interactive AI experiences, the shait series delivers. The collection includes multiple acts and bonus scenes, all voiced with heartbeat and fetish details that keep the energy high. View the full gallery through the link above.
