About This Collection

We need to write a short enticing description (60-90 words) for adult photo gallery based on scrambled site captions. That would be mixing languages. So English. Actually "liubaiaai" looks like a username. Title is "liubaiaai". We must include these exact words where natural. Answer in same language as the title "liubaiaai". That seems contradictory. So English. But they also require to reuse exact words: 高颜白虎一线天嫩b名媛, liubaiaai, 私拍被金主各种啪啪蹂躏调教, 粉红美穴, 人气女神, 收藏佳作3, 高跟絲襪, 人人为我论坛, 極品女神美穴超粉爽爆啪啪啪, căng, photos, videos, page, misskon, bestgirlsexy. But we must follow both: include those exact words. Naturally reuse at least 20% of key words from captions (names, nicknames, distinctive terms), translating rest as needed. That's presumably Chinese? The title "liubaiaai" is likely a username, but language? But the title is just a username. Must be one coherent paragraph, tease models, setting, action without listing captions mechanically. But they say "same language as this title". However the captions are mostly Chinese with some English. However they say regardless of captions language. " The title is "liubaiaai". Plain text only, no markdown, no lists, no quotes. So we need to embed those Chinese phrases in the English description? Title is "liubaiaai" (Latin). The title is just "liubaiaai". That's not a language; it's a string. So we will write English description but embed those Chinese phrases as they appear. That's not a language. But they said "Write the entire description in the same language as this title". Those are Chinese terms and some English. But they also require to include those exact words (Chinese). End with natural invitation to view full gallery via link above. But likely they want the description in the same language as the title, which is maybe Chinese? Might be they want the description in the same language as the title's script (Latin). But the captions are Chinese. So we should write in English (since title uses Latin letters). Could be considered English (Latin letters). That may be okay.

We must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Avoid "not only X but Y". No emojis, no curly quotes, no markdown, no bold. Use "because" instead of "due to the fact that". Avoid "At its core". Use "to" instead of "in order to". Avoid em/en dashes. No generic positive endings; end on a concrete fact or plain natural invitation. Use commas. Avoid forced groups of exactly three items. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Vary sentence length naturally, state things directly, keep every claim supported by captions.

We need 60-90 words. Let's aim ~75 words.

We must include at least 20% of key words from captions. That will increase word count. Some are multi-word Chinese phrases. So we must include all of them? If we include each term as a token, that's 15 tokens. Let's count approximate words. But we can embed them as part of sentences. But they count as tokens. 20% of key words? But we have 60-90 words total. Must embed them naturally. Plus other words. That's many words. That's 15 distinct terms. Including 15 terms may exceed. The instruction: "Important: the previous draft reused too few caption words. Not sure. Include these exact words where natural: [list]". The list of required exact words: 高颜白虎一线天嫩b名媛, liubaiaai, 私拍被金主各种啪啪蹂躏调教, 粉红美穴, 人气女神, 收藏佳作3, 高跟絲襪, 人人为我论坛, 極品女神美穴超粉爽爆啪啪啪, cǎng, photos, videos, page, misskon, bestgirlsexy. We need to keep total words 60-90. So we must include each of those exact words somewhere in the description. But they said "Include these exact words where natural". Each term counts as a word? Could be okay.

We need to produce a single paragraph. No markdown. Plain text.

We must end with invitation to view full gallery via the link above. Something like "View the full gallery via the link above." That's a concrete invitation.

We must not use forbidden words. Avoid em/en dashes. Avoid "additionally". Avoid "serves as". Avoid "it is important to note". Avoid "boasts". Avoid "furthermore". Avoid "moreover". Avoid "showcase". Avoid "pivotal". Avoid "crucial". Avoid "delve", "tapestry", etc. Use commas.

We must not use "not only X but Y". Avoid "At its core". Avoid forced groups of exactly three items. So we must not list three items in a row. Use varied sentence lengths.

We must use "to" instead of "in order to". Use "because" instead of "due to the fact that". Good.

We must not use inflated importance, sales language, clichés. So keep neutral.

We must not use generic positive endings. End on concrete fact or plain natural invitation. So end with "View the full gallery via the link above."

Now craft paragraph.
