About This Collection

wasoru opens on a 3DCG visual novel set, virtual youtubers settling into conversations over chai. Rishi Kapoor joins the greats at the table, and frames tagged 71535036 and 99388191 keep the talk going. The room gets warmer as the conversations stretch, and the talk turns. Wikipédia notes and a ulaganaayagan arrival break the

chat. Hoppner grunts on in the background while the camera stays close. View the full gallery through the link above.
