About This Collection

Vault Girls Episode 3 and 4 bring animated adult versions of video game characters to life, featuring Ellie from The Last of Us and a Vault 111 girl from Fallout 4. These 3D hentai scenes showcase Sarah and other busty vault dwellers in uncut HD 1080 quality. The series spans multiple episodes including 27 and 36, presenting animated takes on the "Other Industry" versions of familiar gaming figures. You can download these xxx galleries showing nude photo collections and bobs and vagene content. View the full gallery above to see all the unused characters finally get their spotlight.
