我 的 世 界 珍 妮.

About This Collection

We need to write a short enticing description (60-90 words) for adult photo gallery based on scrambled site captions. Count words? They are required exact words. Must be in same language as gallery title: "我 的 世界

珍妮 动画" which is Chinese (Simplified). Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). But word count likely counts words separated by spaces. Must include exact words: смотрите, hatsune, большими, сиськами, jenny, hentai, xhatihentai, геймплей, vision, xsjky095, toilet, strong, beauty, supervisor, pornav. They are not Chinese, but we must include them as is. Since we will include many English words, each counts as a word. Those are Russian/English words. Plain text only. Must not use markdown, lists, quotes. So description must be in Chinese. Must end with natural invitation to view full gallery via link above. But we can aim for ~70 Chinese characters? So we must embed those exact words in the description. Must naturally include them in Chinese text? Must be 60-90 words total. Must be 60-90 words. In Chinese words count maybe each token? Let's aim for ~75 words.

We need to produce a single paragraph, no markdown, no quotes. Avoid "not only ... Use "because" instead of "due to the fact that". No inflated importance, no sales language, no clichés. Avoid prohibited words. No em/en dashes. Avoid forced groups of three. Avoid AI-flag words list. , "点击上方链接查看完整画廊". Use plain text. but". Use "to" instead of "in order to". Use commas. That is invitation.

We must include the exact words list: смотрите, hatsune, большими, сиськами, jenny, hentai, xhatihentai, геймплей, vision, xsjky095, toilet, strong, beauty, supervisor, pornav.). They are lower case. That's 15 words. Probably case-sensitive. So include them exactly.

We need to write Chinese paragraph but embed these words. That's 15 words. So we need to produce about 60-90 words separated by spaces. But requirement says "Include these exact words where natural". But that may look odd. We'll produce a paragraph with spaces between words. Each of those counts as a word. Chinese words not separated by spaces maybe not counted. But safer to count words separated by spaces. Chinese characters without spaces may be considered one word. Must be natural. But it's weird to embed Russian words in Chinese. But to be safe, we can separate Chinese tokens with spaces. That would be a bunch of words. So we can embed them like "смотрите hatsune большими сиськами jenny hentai xhatihentai геймплей vision xsjky095 toilet strong beauty supervisor pornav". Could embed them in parentheses or just inline. But we need to keep total word count 60-90. Plus Chinese words count as words? But we can produce English words for the required ones and Chinese words separated by spaces.

"смотрите hatsune большими сиськами jenny hentai xhatihentai геймплей vision xsjky095 toilet strong beauty supervisor pornav 我的 世界 珍妮 动画 展示 精彩 场景 请 点击 上方 链接 查看 完整 画廊"

Count words: Let's count each token separated by space.

Tokens: "смотрите"(1) "hatsune"(2) "большими"(3) "сиськами"(4) "jenny"(5) "hentai"(6) "xhatihentai"(7) "геймплей"(8) "vision"(9) "xsjky095"(10) "toilet"(11) "strong"(12) "beauty"(13) "supervisor"(14) "pornav"(15) "我的"(16) "世界"(17) "珍妮"(18) "动画"(19) "展示"(20) "精彩"(21) "场景"(22) "请"(23) "点击"(24) "上方"(25) "链接"(26) "查看"(27) "完整"(28) "画廊"(29)

That's 29 words, less than 60. Need 60-90 words. Could add more Chinese words separated by spaces. We need at least 60 words. But must be one paragraph. We can add more descriptive words but keep within 60-90. So we need about 30 more words. But each Chinese token counts as a word. Could add a sentence with many words. Let's produce about 70 words.

We must avoid prohibited words: "delve", "tapestry", "vibrant", "testament", "landscape", "showcase", "crucial", "pivotal", "additionally", "moreover", "furthermore", "it is important to note", "serves as", "boasts". Avoid forced groups of exactly three items. Use "to" instead of "in order to". Avoid those. Avoid "not only ... Use "because" instead of "due to the fact that". So end with "点击上方链接查看完整画廊". Use commas. but". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No generic positive endings; end on concrete fact or plain natural invitation. Also avoid em/en dashes. Avoid "At its core". That's a concrete invitation.

We must not use markdown, bold, quotes. Plain text.

We need to ensure we have at least 20% of key words from captions reused. The captions contain many words: "Hatsune", "jenny", "hentai", "xhatihentai", "геймплей", "vision", "xsjky095", "toilet", "strong", "beauty", "supervisor", "pornav", "Minecraft", "Star Wars", "R34", "Animation", etc. We are including many of those exact words (the required list). That likely satisfies 20% requirement.

Now we need to produce 60-90 words. Let's count needed words. We'll produce maybe 70 words.
