About This Collection

The gallery "红框挑战" brings together a bold mix of performers and themes, from the striking Pixel versexyz to the fierce energy of Dự Án Đào Coin. With nods to Identity V, Operation Red Sea, and the spirit of 4 tough provinces, this set pulses with attitude. A few frames even tease the chaos of internet culture and street-style challenges. The collection blends pop art lightning with halftone backdrops, nodding to team challenges and the Red Flag Canal vibe. Models like 赵紫骅 and 密子君 add their own flair, whether letting go in private moments or bringing heat as a mukbang star. See the full gallery via the link above.
