About This Collection

DaffisArt brings Mortal Kombat's Sindel, Nyotengu, and Lara Croft into an extended snake vore collection, where giant reptiles coil, constrict, and swallow across intimate scenes. Some encounters unfold in bed, while others turn encounters with Kaa, worm vore, and a dear T-rex friend into strange 3D fantasy. No audio keeps the focus on the models, the tightening bodies, and each lustful night's action. Follow the link above to view the full daffisart gallery.
