About This Collection

Nykd 54 is a double strong display of women shooting their first adult scene at 60. Legendary older women, the captions say, pour out a rich, aged sex. One scene follows a short haired aunt, clean and cheerful in manner. The claim here is plain: long life, and the secret is sex. Nagase Akiko appears in scenes 12 and 16. Midori Okaye turns up with a bright smile, huge breasts and a wide rear. Click the link above for the full gallery.
