About This Collection

Dive into Firolian's daring gallery, where League of Legends icons like Irelia, Miss Fortune, and KDA Ahri shed their armor for pool parties, secret agent missions, and hospital confessions. Overwatch heroes Mercy and Sombra join the fun in topless pinup poses, while bonus chapters from Arcane and World of Firo add extra heat.

From Fiora's cleavage to Ashe's story, every reward is packed with comic porn action. Click the link above to see the full collection.
