About This Collection

Let me look at the title: "丘 肉 丘 堡". The instructions say: "Write the entire description in the same language as this title, regardless of the captions language." So the output must be in Chinese.

Content constraints:

One coherent, engaging paragraph.

Tease models, setting, and action without listing captions mechanically.

Naturally reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms) - translate them into Chinese.

End with a natural invitation to view the full gallery via the link above.

Formatting constraints:

Plain text only, no markdown, no lists, no quotes.

No em or en dashes; split the sentence or use a comma.

Never use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts".

Never use "not only X but Y" constructions, "At its core", or forced groups of exactly three items.

Use "to" instead of "in order to"; use "because" instead of "due to the fact that".
