About This Collection

From the twisted mind of yuta via kugarabachi comes a hentaianime tribute to virtual youtubers shiori novella and nerissa ravencroft. With yomosaka's art and echoes of hentai classics, the gallery mixes tender moments and raw desire. This part of the story unfolds like a novella—chapter by chapter, page by page—capturing shiori and nerissa in intimate, playful poses, from baby-carry antics to darker 4chan-inspired scenarios. Step into the world of shioraven and see every page, including page 1316, for yourself via the link above.
