About This Collection

instc-579 gathers Frieren cosplay sets filed as INSTC-597 and INSTC-316, the same material that keeps turning up on eporner under 413instc. Between sets the page drags in unrelated scraps, a cass city chronicle, distribution notes, Iran and the IRISL groups and their crucial role, all of it behind the scenes text from the same crawl. Pointed ears, the white and gold outfit, a staff held across the frame. The link above opens the full gallery.
