About This Collection

Plunge into peskybatfish's gallery: a safe compilation of RE: Strained chapters plus diving buddy antics. Their affinity for playful tension never feels forced, and every scene stays 33083-safe. Whether scanning shallows or braving snow, the action glows with charm and grit. Artist-only OCs like ruka—an anthro shark-fish—and Belle share strained, blue-furred moments, from wreck watching to latex cosplay. Dive deeper into the full gallery via the link above.
